President's Message

Dear Fellow Members,

HAPPY NEW YEAR!!!!!!!

I sincerely hope each of you had a safe and joyous holiday season and enjoyed spending time with family, friends, and loved ones. I hope you also enjoyed all of the many activities that took place at the club. Thanks to all of the individuals for their time and efforts who ensured that the Club was appropriately decorated.

Last year was very active for "our" club. We hosted many functions/events, which included "outside" as well as "member" functions/events. Thanks to the Ladies Auxiliary, and to all the individuals who volunteered their time and effort for making each event a huge success. A special "thank you" goes to Jack Hopkins for all his efforts in bringing each of you this "Newsletter", and one every 2 months. A special "thank you" goes to Wayne Williams for all his efforts in bringing each of you the "NARGC Happenings", which is an electronic version of current and upcoming events at the club. If you are not on the distribution list, and would like to be included, just let Wayne know your email address, and he will ensure that you are added. A special "thank you" goes to Shawn Doub for all his efforts in updating the NARGC website. If you notice something not right, just let either myself or Shawn know. A special "thank you" goes to Dave Horst for his continued service in providing support to the business activities of the Club. Also, a special "thank you" goes to Dave Dick for working with me and providing updated versions of the many data files that we incorporate into the club's video monitor above the bar. Thanks again Jack, Wayne, Shawn, Dave, and Dave. In addition, I would be remiss in not thanking all of the many individuals who bring you Still Target every 2 weeks, with a lot of effort fighting the elements of winter outside the building. With names too numerous to mention here, a very special "thank you".

Last month, the Washington County Health Department performed a review of the Hazard Analysis Control Point (HACCP) Plan for our club, as well as a Food Service Facility Monitoring and Observation Report. This review is an evaluation of the risk in a food service facility using the parameters established in the Code of Maryland Regulations. I am very pleased to announce that our club received a very high mark of "96 out of 100". This is indeed great news. Thanks to Chaz, Shirley, Angelina, Kel, and Cookie for their hard work in this critical area to help ensure the overall success of the club. In addition, as most of you know, due to a variety of ongoing and urgent reasons, last year the Board of Directors found it necessary to have a new roof installed on our club. Over the past year, we have received many monetary donations and contributions to our existing "roof fund", which has helped offset the large cost. I and all of the Board of Directors want to thank each and every individual who contributed and provided monetary donations to this effort. With that being said, we are still asking for your support. No amount is too small. If you would like to contribute to this fund, please see a member of the Board of Directors.

In closing let me say that "our" club is a team of many individuals from many disciplines working together on a common goal, "the overall success of our club". Thank you all.

May the New Year bring each of you joy, peace, prosperity, and good health. May we all be thankful for the many blessings bestowed upon us.

Tom Harrison,
President

Ladies Auxiliary

Happy New Year! 2017 is upon us, I hope everyone had a Merry Christmas and a Happy New Year! The Ladies Auxiliary would like to thank you for supporting our events this past year and hope you can join us for the upcoming 2017 events. We will be scheduling our 2017 events at our January meeting and will post them in the club for you to mark your calendars. To name a few of our regular events to watch for: Spring and Fall Quarter Auctions, Kids Easter, Halloween & Christmas parties, Adult Halloween & Christmas parties, Officers Installation Picnic, Holiday meat & pie give-aways and Egg Nog Sunday!

Remember our meetings are each month on the first Thursday immediately following the Sportsman's drawing, so come out for some wings, and a chance to win the drawing, then stay for our meeting. We review all upcoming events, schedule any new events needed and talk about what is going on in your club. Also, if you join us you have a chance to win money with our membership drawing. At the end of each Ladies Auxiliary meeting we draw an active ladies member number and if that member attended that meeting they will win the drawing. The drawing starts at \$50.00, then each month we have no winner \$10.00 is added, when the pot is up to \$100.00 we stop there until a winner is drawn.

Tammy Magaha
Ladies Auxiliary President
