President's Message

Dear Fellow Members,

HAPPY NEW YEAR!!!!!!!

I sincerely hope each of you had a safe and joyous holiday season and spending time with family, friends, and loved ones. I hope you also enjoyed all of the many activities that took place at the Club. Thanks to all of the individuals for their time and efforts who ensured that the Club was appropriately decorated.

Last year was very active for "our" club. We hosted over 50 functions/events, which included "outside" as well as "member" functions/events. Thanks to the Ladies Auxiliary, and to all of the individuals who volunteered for making each a huge success. A special "shoutout" goes to Jack Hopkins for all of his efforts in bringing each of you this "Newsletter", and one every 2 months. Jack is also instrumental in sending out "Postcards" informing members of upcoming events. Thank you Jack for all you do. In addition, a special "shoutout" goes to Wayne Williams for all of his efforts in bringing each of you the "NARGC Happenings", which is an electronic version of current and upcoming events at the club. If you are not on the distribution list, and would like to be included, just let Wayne know your email address. Thanks again Wayne.

You have probably noticed that work has begun on repairing our existing shingle roof on the front of the building, and also installing a new rubber roof over the back of our building, which includes the cooking and kitchen areas. The current roof was quite old, and over many years of service developed substantial leaks. There were safety implications as well as health implications. The NARGC has instituted a "Roof Fund". The roof is an integral part of our organization, and it benefit's us all. If you have any spare change, or would like to contribute or donate to this fund, please let any member of Board of Directors know of your intentions.

The Board of Directors has proposed many changes to the current by-laws of the club. The current by-laws are in need of updating, and in accordance with current policy, the NARGC requires at least 50 members at a membership meeting before a vote can take place. Therefore, we ask that you come to the January 18, 2016 meeting for discussions and vote of the proposed changes. This is your club, get involved.

2015 was a great year for "our" club. With your help, I sincerely hope that 2016 will be our best year yet.

May the New Year bring each of you joy, peace, prosperity and good health. May we all be thankful for the many blessings bestowed upon us.

Tom Harrison,
President
