President's Message

Dear Fellow Members,
HAPPY SUMMER!!!!!!!!!!!!!!

Now that summer is here, and the kid's and grandkid's are out of school, many of you will be traveling and going on vacation. Please be safe throughout your travels and enjoy the time with family, friends, and loved ones.

On June 4, the Ladies Auxiliary had their Officer Installation ceremony. Fun was had by all. A special "thank you" goes out to all of the ladies for their continued dedication and support to "our" club.

You have probably noticed that the inside of "our" club is looking pretty good, thanks in no small part to Dave West. Dave saw a special need to get new chairs, so he stepped up and volunteered his time and efforts to make it happen. He created the "Sponsor a Chair Club", and personally managed the project until completion. Thanks to all of the individuals for their monetary donations to this worthwhile endeavor. In addition, Dave volunteered and took on the task of reupholstering and reinforcing our Bar Stools. They look absolutely beautiful. Again, a very special "thank you" goes out to Dave West for his continued support and dedication to "our" club. When you see him, make sure you tell him yourself.

You will be pleased to learn that after many years of making payments, and with the help of monetary donations from the membership, our HVAC System is finally paid off. A very special thank you to all who contributed over the years to the HVAC Fund. With that being said, the HVAC Fund is being converted to the Roof Fund. As you know, to put a roof on a building as big as ours is not cheap, therefore, our club is once again asking for your help in monetary donations to offset the cost of the roof replacement. No amount is too small, so if you can, please help. After all, this is "our" club, to be enjoyed by all of our membership.

As I have stated many times before, I believe that membership drives this club. Without you, we would not exist. Even though the NAR&GC has been around for 76 years, a common theme of new members is that they did not know of us, even individuals who live close by and have been in the local community for many years. Therefore, the Board of Directors approved and we have contracted with Antietam Cable to run a series of advertisements on TV. The ads will run on 10 channels over 600 times between June & September. This is in an effort to get "our" club into the community, and hopefully we will be able to take advantage of this approach. In fact, to date, we have already received several applications from individuals after seeing the ad. That tells me this approach is working, and I believe we will gain many new members.

July 23rd is fast approaching, and it is once again time for our annual Crab Feed. Each of the previous years has been a huge success, and I know this year will be another. Please plan on attending. It is expected that we will have in excess of 300 people, and an event of this size needs volunteers to ensure success. If you can, please help out and volunteer to make this year's event the best ever.

In closing, let me say that this is a great club, and I and all of the Board of Directors are trying to make it even better, for you, our membership. **Get involved, attend the membership meetings, volunteer, and tell us what's on your mind.**

Tom Harrison,
President

Ladies Auxiliary

Summer is here! Warm weather, long days and family activities is what I think about when it comes to summer. If you think about those things too, don't forget you have a wonderful pavillion that can be rented for your summer activities.

The Ladies Auxiliary will be at our annual Crab Feed again this year selling Jell-O Shooters. So if you will be joining us for the feed don't forget to stop at our table for your Jell-O Shooters.

Our summer meetings are Thursday July 8th and Thursday August 4th both starting right after the Sportsman's Drawing. So please join us to discuss our up coming events. I hope to see you there!

Respectfully yours,
Tammy Magaha

Special \$500 Drawing Friday, August 26, 2016

Drawing will occur at 8:00 P.M.

Must Be Signed In and Present to Win

Numbers Will Be Drawn Until a Winner Is Drawn!

Crab Feed

Saturday, July 23, 2016
